

## **Public and Agency Notice:** **Kasilof River Special Use Area** **North Side Improvement Project**

The Department of Natural Resources, Division of Mining, Land and Water, Southcentral Regional Land Office is soliciting input from the public, including local, state and federal entities on the revised site concept plans for the Kasilof River Capital Improvement Project. The department received capital monies to improve access and sanitation facilities to support the personal use fisheries at the mouth of the Kasilof River. The revised site concept plans incorporate suggestions and ideas received from the public during the October – November 2015 review period. The revised plans are available for additional review beginning February 18, 2016 through March 21, 2016. For additional information about the Kasilof River Special Use Area and the proposed site concept plans visit: <http://dnr.alaska.gov/mlw/kasilof/>.

The Department has scheduled three public informational meetings during the review period.

- **Wasilla - Monday, February 29, 2016 from 6:00-8:30pm at Curtis D. Menard Memorial Sports Complex.**
- **Anchorage - Thursday, March 3, 2016 from 6:00-8:30pm at Central Middle School.**
- **Kasilof - Tuesday, March 8, 2016 from 6:00-8:30pm at Tustumena Elementary School.**

**Written comments will be considered if received on or before March 21, 2016.** Comments may be submitted by mail: address listed above; Email: [adam.smith@alaska.gov](mailto:adam.smith@alaska.gov) or [christianna.colles@alaska.gov](mailto:christianna.colles@alaska.gov); or Fax: 269-8913. Any questions should be directed to Adam Smith at (907) 269-8557 or Christy Colles at (907) 269-8116.

The State of Alaska, Department of Natural Resources, complies with Title II of the Americans with Disabilities Act of 1990. Individuals with disabilities who may need auxiliary aids, services and/or special modifications to comment should contact Christy Colles via TDD (907) 269-8411.
